OLYMPIC TRUCE

The resolution has been adopted by ONU and urges states to break off the conflict from seven days before the Olympics games starts, to seven days before the end of paralympics.

An ancient tradition

The frist olympic truce was signed in 776 b.c. by Ifitos,king of Elide, Cleostene, king of Pisa and Licurgo, king of Sparta, to allow to the athletes and spectators to reach Olimpia and participate to the Olympics games without fear for own safety.
